THE COMPLETE GUIDE TO MODIFICATIONS, PERFORMANCE ENHANCEMENT, INCL PERFORMANCE EXHAUSTS, AIR FILTERS, FUEL INJECTION, SUSPENSIONS AND POWERCOMMANDER MAPS ENCYCLOPEDIA.

BY KEV

I have put together a complete modification index in PDF format, with over 450 pages of pictorial information with detailed information on certain subjects. I have tried to add as much information in areas where the information was available. All the below mods have actually been carried out with proven results. All permissions were granted from the XT660.com to produce this Modification Index. **Please make a back up copy of this Disc to your PC, it is also far faster to read from the hard drive then the CD Disc.**
